Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- The limitation on making coordinated party expenditures on behalf of a House candidate for the 2012 general election is \$45,600. Your reports, however, disclose coordinated party expenditures that appear to exceed the limitations under 2 U.S.C. §441a(d) (see attached).

If any apparently excessive expenditure in question was incompletely or incorrectly disclosed, you should amend your original report with clarifying information.

If you have made an excessive coordinated party expenditure, you must notify the candidate and request a refund of the amount in excess of the limitation.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of the refund request sent to the candidate. In addition, any refunds should be disclosed on Schedule A supporting Line 16 of the report covering the period during which they are received.

Although the Commission may take further legal action concerning the excessive coordinated party expenditures, prompt action in obtaining a refund will be taken into consideration. (11 CFR §103.3(b)(1) and (3))
